CHINA PROTESTS RIVER ENTRY BY JAPANESE

JAPAN COUNTERS, OBJECTING TO THE TAKU FORTS' FIRE

ANNOUNCES MATTER TO BE TAKEN UP WITH POWERS OF THE BOXER PROTOCOL

COMMANDER OF JAPANESE FLOTTILLA WAS AMONG THREE WOUNDED JAPANESE

By RANDALL GOULD (United Press Staff Correspondent)

Peking, March 13.—China today protested to the Japanese legation against yesterday's invasion of the Peiho river by two Japanese gunboats.

Japan countered with a protest to the foreign office that the Taku forts attack on the gunboats was unjustified and announced that the matter would be taken up with the powers signatory to the Boxer protocol.

The Japanese gunboats were driven off by the Chinese. They retreated toward the sea, ineffectively returning the fire of the land batteries. The commander of the flotilla was among the three wounded Japanese.

China's protest says the gunboats entered the river without previously informing the Chinese nationalist troops manning the forts that they were coming.

The Taku forts guard the Peiho river a short distance above the point where it empties into the Gulf of Chihli. Tien Tsin, one of the treaty ports, is about 40 miles above the forts and when all other routes from Peking to the sea are blocked, the railroad line between Peking and Tien Tsin and the river route thence to the Gulf of Chihli provides the only means of egress from the capital. The Boxer protocol stipulated that the route from Peking to the sea must be kept open and prohibits the arming of the Taku forts. Both these provisions have been violated this week by Marshal Feng Yu Hsiang's nationalist army, as prepared to meet the attack of a triple coalition of other Chinese leaders, composed of Marshal Chang Tso Lin, Li Ching Lin and Wu Pei Fu. These seek to wrest from Feng the control of the Peking area.

Feng mined the entrance to the Peiho river and ordered foreign shipping to keep out of it. Protests to the Chinese foreign office elicited promises that the mines would be removed and foreign shipping had resumed the river route when the engagement between the forts and the Japanese gunboats took place.

The powers were preparing to intervene to open the river and rescue Peking from isolation when foreign shipping was permitted to return to the river. The effect of the Japanese-Chinese clash remains to be seen.

Whatever occurs, the futile Peking government will not be able to do anything about it. China is controlled by various military leaders and the Peking government has little more influence than a coolie outside the city walls.

JAPANESE CABINET IS CALM IN TONE

Tokio, March 13.—The cabinet today postponed consideration of the Chinese attack on Japanese gunboats at Taku, pending the receipt of further details from Minister Yoshizawa in Peking.

Undoubtedly a misunderstanding is the Japanese view of the incident, for which, it is expected, China will be willing to make proper amends.

Washington, March 13.—The gunboat Sacramento is on her way to Tien Tsin to relieve the gunboat Asheville and the destroyer destroyer 39 of six destroyers, leaving Cavite, P. I., for Shanghai where they will relieve the destroyers which have been on duty in Chinese waters for some time. The Asheville and division of destroyers being relieved will return to Cavite for their annual overhaul, the navy announced today.

EVERYBODY TAKES HAND TO BREAK UP ICE GORGE

Franklin, Pa., March 13.—(UP)—Dynamiting operations conducted by Pennsylvania railroad engineers to clear a second ice pack beyond the "toe" of the 18 mile long Allegheny river gorge has been completed. One charge set off today cleared 150 feet of the new pack. The work on the big gorge is now confined to the work of Dr. Howard Barnes, McGill university, in his effort to burn out the gorge with thermite.

5th Day of Angry League Negotiations at Geneva

FLAPPERS ARE BOUND TO CHANGE, SAYS AUTHORITY

Milwaukee, March 13.—(UP)—Flappers, now so fond of petting, dancing, smoking and in some cases drinking, are bound to change.

This is the opinion of Mrs. Elva Gartzke, in charge of a homemaking course at the girls' trade school here.

The time is not far distant, Mrs. Gartzke said, when girls will be more interested in bathing babies than bathing suits and sterilizing baby bottles than smoking cigarettes.

Before a girl can graduate from the school she must have six weeks of home nursing, two of which are devoted to infant hygiene, Mrs. Gartzke said.

MAC READY PROBABLY BROKE ALTITUDE MARK

BELIEVES HE EXCEEDED THE FRENCHMAN'S RECORD OF 39,586 FEET

POKED HIS AIRPLANE INTO 70 BELOW ZERO TEMPERATURE

McCook Field, Dayton, O., March 13.—(UP)—After one hour and fifty-five minutes in the air in an effort to recapture the world's altitude record, Lieutenant John A. MacReady landed at McCook Field this afternoon.

The instruments of his plane were taken in charge by field observers and representatives of the Federate Aeronautique National and an announcement of MacReady's unofficial height record was expected momentarily.

MacReady believed he surpassed the mark of 39,586 feet established by Callizo, the French ace, several months ago. His instruments will be calibrated here and officially at Washington.

The flight was MacReady's second attempt of the day. During the first one made early this morning, his motor developed ignition trouble and after nine minutes in the air he was forced down.

MacReady piloted his especially designed plane into the heavens at 11:47 A. M. He alighted at the starting point at 1:42 P. M.

Ideal flying conditions prevailed. Field observers and representatives of the Aeronautique Societe prophesied the official calibration of today's flight will register at least 41,000 feet.

MacReady's altimeter registered 39,000 feet.

"I reached the limit of my ship," MacReady told the United Press. "My regular gas supply gave out before I began descending and I was forced to call upon my reserve supply."

"The engine hummed perfectly. The cold did not bother me, but my thermometer read 70 degrees below Fahrenheit."

DAY AND ZAMBONI FILE FOR SENATE

St. Paul, March 13.—(UP)—Two candidates for nomination as state senators filed today with Mike Holm, secretary of state. They were Frank Day, Fairmont, ninth district, and Senator Zamboni, Owatonna, sixteenth district.

2 HIGH SCHOOL BOYS ARRESTED

CHARGED WITH ATTEMPT TO ROB MILL CITY FILLING STATION

Minneapolis, March 13.—(UP)—Two high school boys were arrested here early today for an attempt to rob the safe in a Standard Oil filling station.

Police noticed a youth loitering near the station. He fled at their approach and Russell McGuire was found inside hammering the combination of a safe.

McGuire was taken to the police station where he confessed and named Joseph Chasback as his accomplice, who had acted as lookout. The second boy was arrested at his home. The safe contained \$100.

ENGINEER LOSES LIFE, 3 ARE HURT IN TRAIN WRECK

PENNSYLVANIA RAILROAD TRAIN DERAILED NEAR HIGHLAND, ILL.

TRAIN WAS A DOUBLE-HEADER, HAVING TWO COMPLETE CREWS

Highland, Ill., March 13.—(UP)—An engineer, Smiley Hackett of Terre Haute, Ind., was killed and other members of the crew seriously injured when a Pennsylvania railroad train was derailed at 5:45 A. M. here today.

The train was a double-header, having two complete crews. Those who received serious injuries are: T. H. Bennett, Terre Haute, engineer on the other engine.

Charles Smith, fireman, Terre Haute.

Bernard Haddy, also a member of the train crew.

All the injured are suffering from serious burns about the body, caused by escaping steam. It is feared that Haddy will not survive his injuries.

The wreck is thought to have been caused by a defective switch. An investigation is being held as to the cause.

The injured men were brought to St. Joseph's hospital here, after being attended at the scene of the accident by Dr. A. S. Kaesar. Rescue workers were called to help extricate them from the wreckage.

A careful check has been made to discover whether any of the crew or passengers are missing and it is believed that all are accounted for.

Passengers, although severely shaken up, received no injuries as far as was known this morning. The train carried a comparatively small number of passengers.

St. Louis, Mo., March 13.—One person was killed and several others seriously injured when a Pennsylvania railroad train was derailed at Pierson, about 30 miles east of East St. Louis, Ill., railroad officials announced here today.

The train, originating in New York, a mail and express, carrying some passengers, was due in here at 6 A. M. The engineer of the west bound train was killed and other members of the crew seriously injured.

UNBALANCED PRODUCTION OF FOOD PRODUCTS

DESIGNATED ONE OF THE PRINCIPAL ECONOMIC ILLS OF FARMERS

PARTICULARLY FACES AGRICULTURE IN THE CORN BELT

Minneapolis, March 13.—(UP)—An unbalanced production of food products is one of the principal economic ills faced by farmers of the corn belt. M. D. Munn, president of the National Dairy Council, told the annual meeting of the Minnesota Co-operative Creameries here.

"If these farmers, who live in the area, which produces fully three-fourths of all the milk required to manufacture the nation's butter supply would feed more corn products to the dairy cows and then help to show the public the health value and importance of butter in the human diet, they would receive more consumers' food dollars and a higher price for their corn," Munn said.

He said farmers would continue to suffer from this condition until proper attention was paid to the balanced production of those foods essential to the consuming public.

SENATE ACCEDES TO LEASING OF MUSCLE SHOALS

Washington, March 13.—(UP)—The senate today adopted the house amendments to the Muscle Shoals leasing resolution and Vice President Dawes immediately appointed Senators Norris, Nebraska, and Hackett, Kentucky, republicans, and Heflin, democrat, Alabama, to receive bids for the leasing of the plant.

GOV. PINCHOT IS CANDIDATE FOR U. S. SENATOR

Harrisburg, Pa., March 13.—(UP)—Governor Pinchot today announced himself as a candidate for United States senator from Pennsylvania "as a republican, a supporter of President Coolidge and an enemy of the gang."

The governor announced that he will base his campaign upon his financial record while serving as chief executive of the commonwealth.

The effort of his administration to enforce the 18th amendment is stressed by Governor Pinchot in his announcement.

Pinchot, an ardent dry, will make the race for the republican nomination against Senator George Wharton Pepper, incumbent, who is also a dry. A third candidate, Congressman William S. Vare, may also enter the republican race on a platform calling for modification of the Volstead act to permit sale of light wines and beer.

200 STRIKERS GO TO PATERSON TO SPREAD WALKOUT

AIM TO GET OUT MORE MEMBERS OF ASSOCIATED SILK WORKERS

PICKETING OPERATIONS CENTERED AT NATIONAL SILK DYEING CO. PLANT

Passaic, N. J., March 13.—(UP)—Two hundred strikers from local mills marched to Paterson today in the hope of spreading the walkout among members of the Associated Silk Workers in that city.

Albert Welsford, strike organizer, said he understood that officials of the Paterson Union would call a meeting to consider the possibility of a strike. The picketing operations today will be centered at the plant of the National Silk Dyeing Company, which employs several thousand workers.

The usual group of pickets was on hand at local mills today and a few more were induced to join the strike which has closed its seventh week. The arbitration committee, chosen by Mayor John McGuire is still investigating conditions at the mills and until that committee makes its report prospects of any settlement maneuvers are scant.

BELOW ZERO TEMPERATURES

REPORTED GENERAL ALL OVER THE STATE LAST NIGHT

St. Paul, March 13.—(UP)—Below zero temperatures were reported general over the state to the United States weather bureau here today.

Moorhead and Duluth were 6 below. The Twin Cities had temperatures slightly below zero, less than one degree in St. Paul.

A bright sun boosted the mercury rapidly as the day went on. At 10 A. M. it was 12 above zero here.

Little Falls, Minn., March 13.—While the mercury hovered near zero early today over most of Minnesota, Little Falls experienced the second coldest day of the year, with thermometers registering 18 degrees below zero.

The Brainerd government thermometer indicated 20 below last night.

Congress Today

Senate: Long and short haul bill debated. Cummins railroad consolidation bill to be voted out by interstate commerce committee.

House: Considers White radio bill. Appropriations committee considers legislative bill. Rivers and harbors committee considers rivers and harbors bill. Civil service committee considers retirement bill. Congress 100 Years Ago Today Both houses in week end recess.

SEEK COOLIDGE AID TO DRY UP ALL AMERICA

WAYNE B. WHEELER AND ANTI-SALOON LEAGUE COMMITTEE MEN CALL ON PRESIDENT

FIGHT UNPARALLELED IN THE LEAGUE'S HISTORY TO THWART WET PLANS

By CARL D. GROAT (United Press Staff Correspondent) Washington, March 13.—President Coolidge's aid is sought by dries in getting greater prohibition enforcement in America.

With members of the executive committee of the Anti-Saloon League meeting with the president, Wayne B. Wheeler, League counsel, revealed to the United Press that the visit was "official," no mere paying of respects.

Wheeler gave out the results of the League executive committee's latest deliberations. Three points have been decided upon:

1. A fight unparalleled in the history of the league, to thwart wet plans for placing wets in congress in the coming elections.

2. A movement to compel officers to enforce the law, or unseat them. An intensified campaign of propaganda to warn America that disrespect for law, including the Volstead measure, only fosters the spirit of anarchy.

The latest session of the executive committee coincided with publication of early results in newspaper polls, showing a predominant wet sentiment as far as the polls went. Wheeler, however, says the polls are inaccurate and misleading.

Some quarters suggest the minimizing of polls by dries does not entirely hide a certain concern on their part to the effect these polls may have.

But when Wheeler was interviewed in his old fashioned offices a couple of hundred yards from the capitol today, he was in a fighting mood. "We are going to fight as never before," he said, "to prevent election of wet candidates."

It was fair to assume that the call the Anti-Saloon League delegation had upon President Coolidge today was for the purpose of asking the executive to do something stricter about law enforcement, Wheeler said.

BRITISH FREIGHTER TAFNA IS ON FIRE NEAR BALTIMORE

TWO FIRE TUGS SUMMONED ARE FLOODING HER WITH WATER

BELIEVE BLAZE SO FAR HAS BEEN CONFINED IN HER HOLD

Baltimore, Md., March 13.—(UP)—The British freighter Tafna is on fire in Chesapeake Bay, according to advices reaching here today.

As the ship is steaming up the bay for Baltimore under her own power, two fire tugs, which were rushed to her aid during the night, are flooding the hold with water.

Although smoke was visible from the shore when the freighter passed Gibson Island this morning, no flames were seen. This fact and the information that the fire tugs were not using their towers, indicated that the blaze so far is confined to the hold.

The Tafna, a 4,512 ton vessel, was bound from Cuba to Baltimore with a cargo of sugar. It was due to reach Baltimore today.

Thirty men comprise the crew. It is believed that they are mostly English seamen.

INTERNAL REVENUE MEN WORKING OVER TIME

St. Paul, March 13.—(UP)—Internal revenue officials and employees are working overtime to take care of the last minute rush of income tax returns. The office remained open all this afternoon to take care of the crowds. A tentative return must be filed by March 15.

HE DOUBTED IF SERPENT REALLY SPOKE TO EVE

Amsterdam, Holland, March 13.—(UP)—The Dutch Reformed church today suspended the Rev. J. H. Geelkerken for three months because he doubted if the serpent actually spoke to Eve in the Garden of Eden.

Geelkerken is a prominent Amsterdam minister. His followers are likely to form a new church which would espouse other liberal views in addition to asserting no snake could talk.

In 1924 Geelkerken expressed his doubt and following his refusal to recant, the church synod met to chastise him. The case has been likened to the American "monkey trial" in Dayton, Tenn.

STATE WILL DEMAND DEATH OF WIFE SLAYER

JACOB NESBITT, YOUNG TROY SALESMAN, ADMITS KILLING SPOUSE

BRIGHT BLUE PAJAMAS HE WORE LED TO UNTANGLING OF THE CRIME

Troy, O., March 13.—(UP)—The state will demand the supreme penalty, death in the electric chair, for Jacob Nesbitt, young Troy salesman, who has confessed he murdered his wife, Frances Drake Nesbitt, a former Ohio State University co-ed, County Prosecutor L. E. Harvey intimated today. Nesbitt's dramatic confession obtained in his own home where the murder was committed three weeks ago, after a quarrel, and where he was taken ostensibly for the purpose of reviewing the apparently insoluble mystery, had been anticipated.

"God, yes, I killed her," said the man, who has posed as a grief stricken husband, after five hours of grilling. Sobs wracked his body. "Why did I do it? I wish she was with me now," he murmured softly, tears coursing down his cheeks.

A formal charge of murder probably will be lodged against Nesbitt today. His defense may be temporary insanity, "superinduced by blinding rage," L. H. Shipman, Nesbitt's attorney indicated.

It was a prolonged quarrel that found its tragic climax in Mrs. Nesbitt's death.

"We had quarreled for weeks," declared Nesbitt, who apparently had worked ceaselessly to solve the baffling crime. "On the morning of February 19 (the day the murder was committed) we arose from bed. The quarrel was renewed. She slapped me. I hit her with my own hand. She hit me again and then everything went red."

Nesbitt said he remembered nothing from then until he found himself in the bath room, his hands and pajamas covered with blood. Mrs. Nesbitt was lying in the half-filled bath tub. The base of her skull was crushed.

The pajamas brought about Nesbitt's undoing. He hastened to the furnace room and burned them. On the Wednesday night preceding the murder, however, Mr. and Mrs. Prentiss Brown, of Columbus Grove, O., had been house guests of the Nesbitts. Mrs. Brown had seen Nesbitt in the pajamas. They were a bright blue.

When grilled Nesbitt insisted he had slept in his under clothing, that he had not worn pajamas. It was through this loophole and other minor bits of evidence that the baffling enigma was solved.

JESSE JAMES GUN STOLEN

WAS 36 CALIBRE COLT AND CARRIED FIVE NOTCHES ON HANDLE

Little Falls, March 13.—(UP)—The memory of another traditional hero was smeared with mud here today.

A .36 calibre Colt revolver, once carried by Jesse James and bearing five notches to signify as many bits of dust, was stolen.

The battered weapon was on display in front of a moving picture theatre to advertise a Western film. The thief left no trace.

EMBARRASSING IMPASSE SEEMS A HOPELESS ONE

THREATENS TO WRECK REPUTATIONS OF MANY GREAT STATESMEN

BELGIUM AND SWEDEN OFFER PLAN TO MOLLIFY POLAND

By HENRY WOOD (United Press Staff Correspondent)

Geneva, March 13.—Belgium and Sweden today offered to resign their non-permanent memberships on the League of Nations council in favor of Poland as the fifth day of the angry, frantic negotiations began at Geneva. The embarrassing impasse, which threatens to wreck the reputations of all the statesmen engaged in an effort to overcome it, appeared to be less hopeless, however, when it was announced that the League of Nations council would not be convoked today for a final vote on Germany's entry into the council.

The council members will meet informally today, it was announced, to discuss the sentiment of the assembly which now is veering from the support of Germany to that of the Locarno group, which is seeking a compromise on the basis of the creation of a non-permanent council seat for Poland and the postponement of Spain and Brazil's council candidacies until September.

Sir Austen Chamberlain, the British foreign minister, and the principal German delegates lunched together today to consider a revised plan of agreement.

It is learned from German officials that this agreement would permit Germany's immediate admission to the council upon her promise to serve on a commission to consider further enlargement of the upper body. If a majority of the commission favored enlargement, Germany would be bound by a previous promise to approve the majority report.

It was the foregoing proposal that Germany rejected yesterday on the ground that she could not pledge her vote for or against Poland in advance of entering the council.

Geneva, March 13.—The League of Nations council convened secretly today to seek a new solution for the problem of the council memberships which has kept the League of Nations in furious disagreement since Monday.

It appears that the other council members do not wish either Belgium or Sweden to retire from non-permanent council membership, which they offered to do today in order to provide a place for Poland, which seems to be prerequisite to any settlement.

Just before the council convened Foreign Minister Stresemann of Germany met M. Guani, the Uruguayan council member, giving rise to report that Uruguay instead of Sweden or Belgium would be asked to make room for Poland.

Paris, March 13.—France expects the crisis at Geneva to be solved today, the United Press was informed by a spokesman at the foreign office.

The politicians are stunned at the prospect of the Locarno agreements and base their optimism on the disastrous consequences which would follow failure to settle the dispute at Geneva.

The afternoon papers, however, are pessimistic and almost unanimously blame Germany for the League of Nations trouble.

Geneva, March 13.—Following a two hour secret session, the League of Nations council announced today that the assembly would be convoked Tuesday to admit Germany into the League.

The council apparently had not found a solution for the problem of council seats when the announcement was made. If between now and Tuesday a solution is not found and Germany backs down from her position that she alone must be elected to the council at this time, the entire matter would be discussed before the assembly.

In the event Germany refuses to enter the League unless she is admitted to the council alone, the council members would address the world through the assembly Tuesday, explaining the efforts they had made toward conciliation.

SERVICES in the CHURCHES

Peoples Congregational Church
Sunday school, 10.
Evening service, 7:30. Sermon by Rev. Malcom Dana, D. D.
Prayer meeting, 7:30 Thursday evening.

N. P. Olmsted, Minister.

Zion Lutheran Church
Missouri Synod
(Corner Main and Broadway)
10:30 A. M.—Divine services.
Wednesday evening at 7:30 English Lenten services.
Religious instruction for children every Friday at 1:30 P. M.
F. C. Rathert, Pastor.

Bethlehem Evangelical Church
(Corner Main and Bluff)
J. H. Bollens, Pastor
10:30 A. M.—German service.
11:30 A. M.—Sunday school.
Tuesday evening, young peoples' meeting.
Wednesday evening, special Lenten meeting.

St. Francis Catholic Church
402 North 9th St.
Sunday services—
First Mass, 7:45 a. m.
Second Mass, 9 a. m.
High Mass, 10 a. m.
Holy Hour, 7:30 p. m.
Baptisms, 1:30 to 2 p. m.
Instructions at all services.
Rev. Fr. James Hogan, pastor.
Rev. Fr. Michael Enright, assistant pastor.

Christian Science Society
Services are held in Iron Exchange Hall, Iron Exchange Building.
Sunday school, 10 A. M.
Sunday service at 11 A. M.
Topic: "Substance."
Wednesday evening Service, 8 P. M.
Reading room, Iron Exchange Hall, open Tuesdays and Thursdays from 3 to 5 p. m. Also Wednesday evening and Sunday morning.
All are welcome.

First Congregational Church
Church school, primary and junior departments, 9:30.
Young peoples' department, 12.
Morning worship, 10:45. Rev. Malcom Dana, D. D., will preach.
Pastor's class Sunday at 4 P. M. and Tuesday at 4:10 P. M.
Lenten service 7:30 Tuesday evening. Meeting in charge of the deacons.

N. P. Olmsted, Minister.

Norwegian-Danish Lutheran Church
Rev. O. L. Bolstad, Pastor
Sunday school, 9:30.
Bible class, 9:45.
Divine service in the English language, 10:30.
Young Peoples Luther League will meet in the church parlors on Friday evening, March 19. Refreshments and program.
Saturday afternoon, March 20, the ladies will hold a food sale in the Mathieson shoe store.
Confirmation class every Saturday afternoon at 1:30.

Swedish Bethany Church
(Corner 9th and Maple Streets)
Sunday school at 9:45 A. M.
Morning worship (Swedish) at 11 A. M.
Afternoon service at 3 P. M.
Evening service at 7:45 P. M.
At all these services Evangelist Larson will preach and sing and play his instruments. We are in hopes of having with us Mr. Langvang and Mr. March, both good musicians. You are welcome to any or all of these services.

P. G. Fallquist, Minister.

Swedish Baptist Church
Adolph Paulson, Pastor
10:30—Morning worship (Swedish).
11:45—Sunday school with classes in all departments.
7:45—Evening service of song and sermon in English.
Tuesday evening there will be a business meeting of the congregation to plan for the future. The state missionary, Rev. C. E. Bergtall, will be with us. All the members of the congregation are urged to be present.

First Presbyterian Church
Alexander G. Patterson, Pastor
We are looking forward to our annual "Every Member Canvass" tomorrow. The especially fine interest insures success.
9:30—Our primary.
10:30—"Fuel."
12 M.—Main school.
3 P. M.—Junior C. E.
6:30 P. M.—Intermediate C. E.
7:30—"A Study in Victory." A thanksgiving service at the close of our day for the "Every Member Canvass." The woman's chorus will sing.

The Evangelical Church
Sunday school at 9:45. At the close of the Sunday school hour several young people will speak in the interest of our Lake Koronis assembly grounds. A free will offering

DR. ROY SMITH'S SATURDAY NIGHT TALKS

By the REV. ROY L. SMITH, D. D.
Pastor Simpson M. E. Church, Minneapolis

TIME WORST WASTED

Waste no time pitying the man who is pitying himself. He is usually doing it so well that the help of anyone else would be merely an interference. No one ever employs his time so unprofitably as when he is giving himself sympathy. In pitying himself he is adding to his miseries, dividing his attention, subtracting from his own happiness, multiplying his grievances and compounding his chances for failure.
No matter how little attention the unfortunate may get, it will be more than that accorded to the self-pitier.
He who looks for trouble sees it. He who hunts for grievances finds that there is no closed season. He who starts out to pity himself will be so busy that he will never again have time for useful labor.
The self-pitier brews his own soul-poison, manufactures his own scars, depletes his own strength, disgusts his friends, paralyzes his own will, ennobles his own motives and pollutes his own morals.
Self-pity is a moral anaesthetic that reduces all impulses and worthy ambitions to impotence.
No matter how threatening your troubles may be, they never grow smaller because you worry over them. No misfortune ever looks less amiable because we extend ourselves sympathy.
A great Englishman was being commiserated on the fact that no monument would be erected to his memory. Said he, "Then I will live so that men will ask, 'Why is there no monument to this man?'" Instead of grieving because he was to be neglected, he proposed to lay the burden upon those who neglected him.
He who gives pity to the self-pitier is seldom thanked—the pitier is too busy to recognize the courtesies due from him.

will be taken at the close of this meeting. This offering will be given to the assembly grounds.

Morning worship at 11.
Senior, E. L. C. E. at 7:15.
Evening worship at 8.
Teachers' training Wednesday at 7:30.
Prayer meeting Thursday at 8.
Religious instruction Friday at 1.
L. F. Strothman, Pastor.

The Salvation Army
Holiness meeting, Sunday, 10:30 A. M.
Sunday school and Bible class, 2:30 P. M.
Young People's meeting, 6:30 P. M.
Open air meeting, 7:30 P. M.
Public salvation meeting for all, 8 P. M.

Week Meetings
Tuesday, Soldiers' meeting, 8 P. M.
Thursday, open air meeting, 7:30. Inside, 8 P. M.
Saturday, open air meeting, 7:30. Public praise inside, 8 P. M.
All are welcome!
Capt. F. Petrie and Lieut. Edwards in charge.

Clara Lutheran Church
August Samuelson, Pastor
Sunday school—9:30.
Services (Swedish)—10:30. Subject: "Do You Seek Jesus?" Vocal solo by Mrs. O. B. Johnson.
Services (English)—7:45. Subject: "Herod, a Seeker After Religious Novelties." Vocal solo by Bertha Olson.
Choir rehearsal Wednesday evening.
The "Forward" society will be entertained on Thursday evening at the home of Mr. and Mrs. Ray Fredstrom, 1720 Norwood St.
Lenten services Friday evening at 7:45 o'clock. Subject: "Behold Your King."
The confirmation class meets on Saturday at 10 o'clock.

St. Paul's Episcopal Church
Seventh and Juniper Streets
Robert James Long, Rector
Services for Sunday, March 14th, the fourth Sunday in Lent:
Holy communion—8 A. M.

Wednesday evening at 8, meeting of the Men's club. The hosts for this meeting are H. P. Kelly, Simon Anderson and Ole Stene.
Thursday evening choir rehearsals. The junior choir at 7, the church choir at 8.
Regular meeting of the Junior Young Peoples society at the church assembly rooms Friday evening at 8 o'clock. Hostesses—Mrs. N. Erickson and Mrs. M. Gudmunson.
The confirmation class meets for instruction Saturday morning at 10.

Thursday evening at 7:45 prayer meeting at the church.
Friday evening joint meeting of the Philatheas and the adult department.
Saturday at 10 A. M. pastor's instruction class.

First Baptist Church
9:45 A. M.—Sunday school. Every member of the school is urgently requested to be present and on time. Help the school to attain its objective in this campaign. We need you and you need the school.
11 A. M.—Morning service.
6:45 P. M.—B. Y. P. U. A live group of young people invites you to meet with them.
7:45 P. M.—Evening service. Rev. H. F. Damon who is here at invitation of the church, will preach at both services. Rev. Damon is a graduate of the Northern Baptist Theological Seminary and is at the present time pastor of the Baptist church at Maxwell, Neb., is a man of ability and one who has preached and is able to preach fine gospel messages. During his present pastorate, the church has experienced a number added to the membership, revival meetings have been successfully held and the church building enlarged.
The local church extends a hearty invitation to all members and friends to attend all the services.
The regular prayer meeting and Bible study of the church will be held at the church Thursday evening at 7:45 to which you are cordially invited.

Birthday Gift to Mrs. Strothman
The ladies aid of the Evangelical church of Northeast met in the church basement on Thursday afternoon and were entertained by Mrs. F. Smith, Mrs. W. Smith, Mrs. V. Warrick and Mrs. R. Warrick. About 50 were present, and it being Mrs. L. F. Strothman's birthday, the ladies presented her with a beautiful set of dishes.

Sleighride Party
A young peoples sleighride party gave a surprise on Miss Helen Stearns Friday evening, about four miles north of town.
They spent a part of the evening in singing both new and old time songs with Miss Beatrice Stearns, music teacher from Northeast Brainerd, at the piano.
Games followed the singing, after which they had a tug of war at candy pulling.
Ice cream and cake were served.
All reported having spent an enjoyable evening. The ride was rather chilly but they were told, if they didn't get cold feet, they could come again.

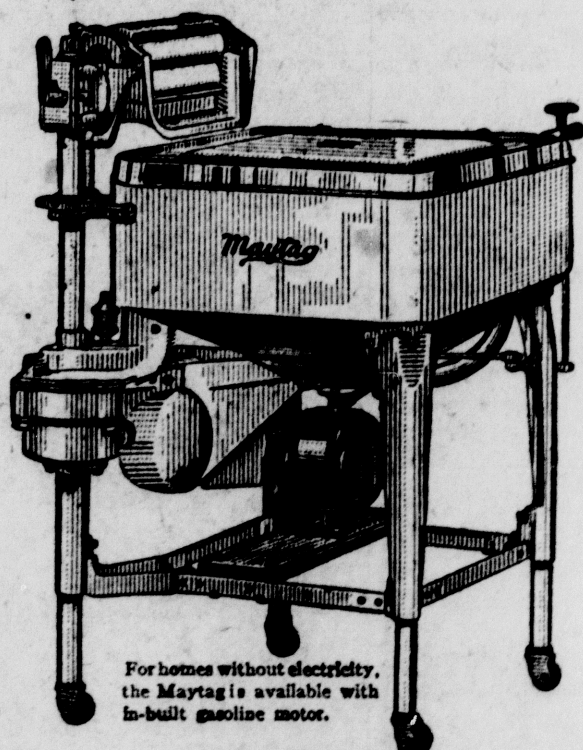

Monday evening Scout Troop No. 1. Lawrence Ericson, S. M.
Wednesday, 2:30, ladies' aid at the church; hostesses, Mrs. Warner, Mrs. Simmons and Mrs. Michael.
Wednesday evening at 6:30 Sunday school board meeting.

How Will I Ever Get Them Clean?

That's a question that many women ask themselves every washday. It's a thought that never enters the mind of a Maytag owner.

The Maytag owner knows—she's proved that everything she puts into the Maytag's satin-smooth, heat-retaining, self-cleaning cast-aluminum tub will come out clean—without hand-rubbing—even collar and cuff edges—even grease-loaded work-clothes, dirt-grimed play-clothes.

Send for a Maytag—wash with it free—make it prove its greater speed and washability—its larger capacity. There is no obligation or expense. If it doesn't sell itself, don't keep it. Phone us Now.

For homes without electricity, the Maytag is available with in-built gasoline motor.

SATURDAY, MARCH 13, 1926

ROTARY CONVENTION AT GRAND FORKS

THE Rotary ninth district convention at Grand Forks April 15 and 16 promises to be well attended, in fact many of the clubs aim at 100 per cent attendance at the gathering.

The "Conference Clarion" published at the convention city gives ten very good reasons why one should attend. In the first place, because you are a Rotarian. And for a second reason, it will be spring.

Reason No. 3 is you've been getting rather crabby around the office anyway.

No. 4 mentions that Miss Nora Fauchald will be there. She is the Minot girl with Sousa's band who sings like a bird.

No. 5 states Miss Fauchald will sing.

Reason No. 6 is a doubtful quantity. It claims Grand Forks has the only river in the United States that flows north. If you don't believe it, look at it.

No. 7 mentions that Tom Kane, Rotary President, will be at the front gate to give you a heartfelt welcome.

No. 8 calls attention to the grand parade.

And No. 9 voices the belief that the program will be interesting from start to finish, without a single dull spot.

And Reason No. 10 is a clincher. It says, "It will be a good excuse for you to get out of town for a few days."

Brainerd Rotary club is planning on attending 100 per cent and many have already signified their intention of going, a poll having been taken at the last luncheon.

THEY ARE REAL CITIZENS

THE real citizen does more than merely recite a flag pledge on public occasions or get up and salute when the "Star Spangled Banner" is sung.

He works for his community, his town, his county, his state and the nation. Up at the Whittier school they have a Little Citizens League. They have read the declaration of independence and the constitution, know something of parliamentary proceedings, can sing patriotic songs and recite patriotic poems and can write patriotic compositions.

When Minnesota became snowbound and Brainerd, like the rest of the state, lay buried beneath tons of the beautiful, did this class of sturdy little citizens call upon the world to dig them out?

They did not. They grabbed their trusty shovels and exemplified the true type of citizenship by doing something constructive for their community. They shoveled the sidewalks around their beloved school, thus setting a glowing example for older citizens to emulate.

The citizenship which shovels snow from the walk, which keeps the back alley and backyard clean, which plants flowers and beautifies home and surroundings, which keeps a trim lawn, which keeps home looking clean and orderly, inside and out, is the citizenship that counts in the long run. We are proud of the snow shoveling army of Little Citizens at the Whittier.

HANDS A WALLOP

THE Brooklyn Eagle hands this wallop to the business interests of the port of New York:

"The best way for New York to overcome the agitation of the Middle West, both American and Canadian, for a waterway to the sea by way of the Great Lakes and the St. Lawrence River is quickly to bestir itself and cut costs of trans-shipment here in the harbor.

"So long as it costs as much to bring grain from the mainland to ships in Brooklyn docks as it does to sail the same grain across the ocean; so long will there be discontent with our handling of freight in New York. Ships in this port take a ridiculously long time to turn about. Senseless long hauls for reclassification which involve a hundred miles or so to reach a destination 10 miles off and antiquated methods of stowing goods in ships' holds keep costs up, cause expensive delays and general dissatisfaction."

All of which gives point to the demand of the Middle West for a direct ship channel to Europe from the Great Lakes via the St. Lawrence.

COUNTIES WAITING TO BE REIMBURSED

BECAUSE the state legislature has refused to live up to a law of its own making, 87 county treasuries are waiting for reimbursement from the state for a proportion of mothers' pensions claims.

This condition is brought about by the fact that despite the law passed in 1917, which requires the state to pay one-third of all mothers' pensions approved by the juvenile court, not one cent has been paid out of the state treasury because the legislature has steadfastly refused to make the necessary appropriation. It's a case where the counties are living up to a law that the state itself refuses to obey.

Up to the beginning of 1926 there is now due \$17,357.56 to Crow Wing county. Beltrami county claims \$30,000 from the state; Douglas county \$10,000; Pipestone \$10,375; Olmsted \$18,125; Stearns \$50,000; Mower \$10,000; Itasca \$36,750; Winona \$40,475; Brown \$50,000; Morrison \$25,000; Martin \$50,000; Washington \$11,500.

WHILE committees were investigating, filibustering, and dilly-dallying around on the question of raising the per capita payment to Indians in Minnesota, Congressman Harold Knutson drafted an Indian Relief Bill and courteously pushed it through out of order, something that has not been done in the House for over ten years, says the Motley Mercury. We have a Congressman that gets action when he starts after it, concludes Editor R. R. Hull.

ABOUT the best test that we know of to apply to candidates for public office where ability, honesty and initiative are involved is to ask yourself: "Would I hire him to work for me in my private business," says Editor A. H. Carlisle, of the McGregor Pilot Review.

THE Schall-Johnson case has finally come to an end. Johnson's witnesses seemed to be tardy at the wrong times, says the Motley Mercury.

CO. ROAD MEN IN ANNUAL SCHOOL

52 Maintenance Men Attend Instruction Today at Court House

WORK 270 MILES ROAD

R. A. Kagel Has Longest Stretch, 15.65 Miles; County Maintains 11½ Miles Special

All but two of the 54 county highway maintenance men were present

this morning for the school of instruction at the court house, when matters of interest to the road men were discussed.

George E. Ericson, editor of the Brainerd Tribune, spoke on newspaper work, and County Auditor Charles Mahlum explained the time checks on the work. County Highway Engineer Walter M. Murphy presided over the discussions and instruction.

The maintenance men were appointed at the last meeting of the board of county commissioners, most of them being reappointed, with four new ones. They do the maintenance work on the 125 mile of State Aid

roads and 145 miles of White Line roads in Crow Wing county.

R. A. Kagel has the longest piece of road to maintain, having 3.5 miles on White Line road No. 4, 8.25 miles on No. 5, and 3.9 miles on No. 6, a total of 15.65 miles. He expects to get a grader soon to aid in the work. The average number of miles kept up by each maintenance man is four miles.

The county also does maintenance work on 11½ miles of special roads, on the Beaver Dam road, Birchdale road, Government Dam road, Green Gables road, Ojibway Park road, Parkerville road, and on Ash Avenue in Northeast Brainerd from the end of the pavement to a quarter mile beyond Lum park.

EVERY MEMBER CANVASS

Presbyterians Out Tomorrow to Raise Budget of Church For Coming Year

Nine or ten teams of canvassers will go out tomorrow afternoon in the annual effort to raise the church budget. The Every Member Canvass is a nationwide campaign of Presbyterian churches, the canvass being made on one Sunday afternoon during March.

The workers in the local church have been meeting for several weeks to study the place of finances in church work. Rev. A. G. Patterson taught the workers in their weekly meetings.

During the day of the canvass, an effort is made to reach every member for his or her pledge, and a re-

quest is made that all members remain at home during the afternoon until after the canvassers have called.

Announcing

To the People of

BRAINERD AND CROW WING COUNTY

The Ford Motor Company has appointed as their authorized dealer in Brainerd, to succeed the Woodhead Motor Company, who so ably represented them for the past 10 years, the

WALTER P. TYRHOLM COMPANY

It is only fitting that we mention to the public the policies which are to govern our dealings, in representing and measuring up to the high standards of the world's greatest and biggest manufacturer.

LINCOLN

Ford

FORDSON

Tyrholm SALES

FORD CARS, TRUCKS, FORDSON TRACTORS and LINCOLN CARS—These are the major Ford products which will be retailed through the TYRHOLM honorable sales organization. A liberal time payment plan will be available to those who do not wish to pay all cash. Used Ford cars will be gladly taken in on trade on the basis of their actual cash value.

GENUINE FORD PARTS only are sold to those who come to TYRHOLM for Ford Service. We shall also wholesale Genuine Ford Parts to the many garages who wish to assist in giving the Ford owner 100% service.

TIRES, ACCESSORIES, GASOLINE, OILS of standard makes are a part of the TYRHOLM general line. We want you to call and see

the many new accessories of Ford make, which are now available at Ford prices.

AGRICULTURAL and INDUSTRIAL EQUIPMENT for use in connection with the Fordson tractor will be gladly demonstrated without obligation to any person. We will also analyze your power problems and intelligently assist you in reducing your power costs.

USED CARS carrying the regular Ford used car guarantee will be sold at prices consistent with the unused mileage represented. The TYRHOLM regular time payment plan will also be available on used cars.

COAL from Ford mines, over Ford railroads and Ford boats direct to you through the TYRHOLM Ford dealership at Ford prices.

Tyrholm SERVICE

SERVICE carries with it a responsibility which becomes an asset or a liability to the TYRHOLM Company. Watch our service department grow. Competent, courteous service men; service shops properly equipped and cleanly in appearance; high quality workmanship and promptness with which your repair work is taken care of, will merit your confidence in TYRHOLM service.

ADVERTISING such as will inspire your confidence in the WALTER P. TYRHOLM COM-

PANY will be our motto. Have faith in TYRHOLM advertisements and you will not be disappointed.

CASH POLICY—Inasmuch as all Ford products are so low in price and the margin of profit so small, it is necessary that we conduct our business on a strictly cash basis. Of course, on cars, trucks and tractors our regular time payment plans will be available. Advantages to you and to us will be reflected by this cash policy.

In short, the WALTER P. TYRHOLM COMPANY shall be a Sales and Service organization in every sense of the word, operated on the principle of the "Golden Rule." Years of successful experience in the Ford Business on the part of the management inspires us with confidence that we can fulfill the following "Guarantee of Satisfaction."

TUNNEY-STIBLING GO IS A \$100,000 FLOP

MIAMI, FLA., IS FAILURE AS FIGHT PROMOTER

TEX RICKARD MAY OFFER THE TWO FIGHTERS A DATE THIS SUMMER

PROPOSED MATCH A SURE GO. ATTRACTING MUCH PUBLICITY

By HENRY L. FARRELL
(United Press Staff Correspondent)
Miami, Fla., March 13.—As a result of the \$100,000 flop made in the attempt to promote a fight between Gene Tunney, New York heavyweight, and Billy Stibling, the young bridegroom from Georgia, New York will have the close up when the two young business men do enter the ring.

No definite offers, as far as can be learned, have been made by Tex Rickard for the match, but it is certain that he will offer the two fighters a date this summer.

The match already is made. No exploitation or ballyhoo is necessary after all the publicity the match has attracted here.

Billy Gibson said today that Rickard had not talked to him about a match against Stibling, but had said he had signed Tunney to meet Jack Dempsey next summer.

"It's the bunk, though," Gibson said, "that Rickard had ordered Tunney to dispose of Stibling in four rounds and that Tunney knew he could not do it."

Pa Stibling said he had not talked with Rickard about a match for his boy against Tunney, but that he was ready to do business with anyone. He said he had received a telegram from Rickard last night but that referred to a change in the date for the Stibling-Slatery match late this month.

SPORT TABLOIDS

Mrs. M. Z. Jessup in Tennis Play
Brookline, Mass.—Mrs. M. Z. Jessup, defending champion, is the only seeded player to draw a bye in the first round play of the national indoor tennis championship opening here Monday.

Receipts of Philippines Davis Cup Challenge

New York—Receipts of the Philippines Davis cup challenge announced today, will bring the total number of entries to 22 three less than last year. Drawings will be made Wednesday.

Pirates Hockey 2, Boston Bruins 1
Pittsburgh—The Pirates hockey team nosed out the Boston Bruins, 2 to 1, and took third place in the national hockey league.

Brother Follows Brother
Amherst, N. Y.—Brother followed brother as captain of the Amherst hockey team, when Mal Cameron was elected to replace Sam Cameron.

PINE RIVER PIRATES BEAT WALKER LEGION

The Pine River Pirates, strong independent team, defeated the Walker American Legion team on the Walker floor last night by a score of 22 to 14, according to word received here today from Manager Jones, of the Pine River team. St. Anthony of Park Rapids refereed.

FOUR MORE OF ALLEGED LIQUOR RING INVESTIGATED

St. Paul, March 13.—(UP)—Four more alleged conspirators in the liquor ring investigated by a grand jury at Cleveland were arrested here last night and today.

Ten of 33 warrants which arrived this week from Cleveland have now been served. The grand jury is expected momentarily to return indictments naming 133 in the conspiracy. The four latest arrested are: Charles Michael, Charles E. Lobdell, John M. Sell, and Homer Legacy.

The first three are warehouse and transfer men and the last a garage man.

HATS CLEANED AND BLOCKED
SHOE SHINING 10c

GLENN COLLETT IS DEFEATED BY HELEN PAYSON

Clearwater, Fla., March 13.—(UP)—Miss Glenna Collett, national woman's golf champion, was defeated by Miss Helen Payson, of Portland, Me., in the finals of the Belclair women's golf championship here. The score was two up over the 18 hole route. Shooting her usual good game up to the 17th green, Miss Collett missed a two foot putt for the cup and completely missed an approach shot for the 18th.

BRAINERD LOSES TO ALEXANDRIA, SCORE 23 TO 13

LOCAL TEAM ELIMINATED IN FIRST ROUND OF REGIONAL MEET

BUFFALO WINS OTHER PRELIMINARY GAME FROM MADISON, 27 TO 10

Brainerd was eliminated from the running toward the regional title when the team went down to defeat at the hands of the Alexandria team last night in the first game of the regional play-off at Alexandria, the score being 23 to 13.

This ends the official season for the Brainerd team, except that tonight they will meet the Madison team in a consolation game.

Buffalo had no trouble hurdling the first round opponents, Madison, defeating that quint by a 27 to 10 score. The Buffalo and Alexandria teams will meet tonight for the championship and the right to compete in the state tournament.

MICHIGAN HAS ADVANTAGE AT SWIMMING MEET

Ann Arbor, Mich., March 13.—(UP)—Michigan will go into the finals of the Big Ten swimming meet tonight with a distinct advantage over other competitors because of its having placed 13 men and qualified in all events in the preliminaries held last night.

What looks as though it will be the most hotly contested event of the meet is the 300 yard medley relay. Michigan, Minnesota, Wisconsin and Northwestern qualified in the event and the four seem to be almost evenly matched with Minnesota possibly a slight favorite.

Herschberger of Wisconsin seems to be the class of the 50 yard men and Purdy of Minnesota looks like the best 200 yard breast stroke man.

Samson of Michigan looks good in the 440 yard. The 150 yard back stroke promises to be a close race with Hill of Minnesota and the Halsted brothers of Michigan fighting for first place.

FREBERG-TAYLOR WRESTLING MATCH GAINS INTEREST

Freberg-Taylor Wrestling Go... FREBERG MATCHED WITH ZBYSZKO AT MINNEAPOLIS WEEK LATER

WINNER WILL MEET CHAMPION STECHER IN APRIL TO FINISH

The John Freberg-Jack Taylor wrestling match in the Park theatre on Monday night is gaining interest with every sport page that is printed, with reports afloat of championship bouts being arranged.

Freberg is matched to wrestle Wladek Zbyszko, heavyweight Polish mat artist, at the Kenwood armory in Minneapolis just eight days after his match with Taylor here. The big Pole is now in New York, but will come to Minneapolis next week to complete his training for the match.

The winner of the Freberg-Zbyszko match will meet Champion Joe Stecher in April for a finish bout.

Freberg had expected to reach Brainerd on Monday afternoon, but he has been sent a special wire to come on Sunday, and it is expected that he will be here then. Taylor will reach here Sunday night. If both grapplers are on hand early enough, they will be introduced to the audience at the Park theatre Sunday night.

The Moose committee has made arrangements to have tickets reserved for one hour Sunday afternoon at the New Park, from 3 to 4 o'clock. This is being done by the theatre management as a special accommodation, and ticket-holders are asked to refrain from coming until that hour, as no tickets will be exchanged until all patrons to the show, "King Cole's Review," have been admitted, and wrestling fans who come before then and crowd the lobby will be holding up the entire process.

HAFF OF NEW YORK LEADS IN SINGLES

Toledo, Ohio, March 13.—(UP)—O. R. Haff of New York City, crashed into first place in the singles of the A. B. C. here this afternoon with a 685 total. This mark was good for seventh position at Buffalo last year and at that time paid \$270. Haff rolled single games of 233,174, and a fine 278 finish.

J. Eckhardt of Chicago, tied for second place with a 632. Shoda and Golusinski of Chicago took second position in the doubles this afternoon with 1181.

Pennsylvania Defeats Columbia at Swimming

New York—Pennsylvania defeated Columbia at swimming 42 to 19 and took a water polo encounter 34 to 3.

DOGS DOGS DOGS

TOO EARLY TO CRY OVER TILDEN

By HENRY L. FARRELL
(United Press Sports Editor)

When Bill Tilden was defeated by Jean Borotra and Rene Lacoste, the young French stars, in the recent indoor games here, the mourner's bench ordered a shroud and chanted in chorus, "There goes another great champion."

It is perhaps a little early to write the tennis obituary of Bill Tilden. Like all other athletes the day must come when he will have to retire or be beaten by a younger and more durable player but that day is not within a few sheets of the calendar.

Human judgment is not infallible as was shown just a week or so ago when Harry Greb, the world's middleweight champion, was succeeded by Tiger Flowers, the deacon of a negro Methodist church.

Greb, although his mode of living had warned that he would reach the end of his career before his natural time, was considered as a sure champion for another year but the end came sooner than was anticipated.

Tilden is a Broadway character but he does not follow the path that Greb did. Tilden does his stuff behind the footlights and Greb did his in front of them but the wear and tear on the constitution is almost the same.

Tilden's strong physical powers were his greatest assets in two terrific matches against little Bill Johnston, the trail Californian, and his endurance as much as his marvelous tennis enabled him to save the international team championship for the United States in the recent matches against France when he beat Borotra in a match that lasted almost three hours.

The world's champion had said before the indoor championships that the glare of the footlights had impaired his vision and his intimate friends knew that he was worried over the failure of a show in which he had invested nearly all his money.

Tilden was off his game when he was defeated by Borotra and Lacoste but Borotra said, "That was not the real Tilden. He'll beat me when he has to do it."

The Frenchman was right. When the prestige of the United States depended upon him in the deciding match of the international tournament, Tilden had to win and he won by exhibiting some of the most brilliant tennis that ever has been seen on any court.

"Shucks, what does this indoor title amount to," Tilden remarked after he had been eliminated for the first time in six years in a national tournament. But when he was called upon to defend the national colors, he did it.

Tilden is not through. He likes the outdoor game better than board floors and when the national turf championship and the Davis Cup challenge round come next summer the big champion will be worth all the money you can afford to wager.

MAY BE FOUR CORNERED RACE

IOWA, ILLINOIS, MICHIGAN AND WISCONSIN LOOM UP IN CONFERENCE FINALS

Chicago, March 13.—(UP)—With semi-finals already run off last night, athletes representing every school in the Big Ten conference were ready for the starter's gun which will open the finals of the conference meet tonight.

The affair looks today like it may be a four cornered race between Iowa, Illinois, Michigan and Wisconsin. Other teams of the conference did not show the all around strength

which it takes to win a Big Ten meet.

Considering the performance of these four teams during the winter meets, Iowa must be given a slight favorite edge.

About the only event of the meet that looks as though any one athlete has a monopoly on it is the shot put. Captain Dauber of Iowa should win this event with Lyon of Illinois second.

Hester of Michigan should win a sprint or two but he will meet with stiff competition from Irwin of Ohio State and Roberts of Iowa.

Jones Again Heads Amateur Billiard Players

New York—Frederick Jones, Jr., has been renominated as president of the national association of amateur billiard players.

\$10,000 worth of excitement please---- and he got it!

A well known Minneapolis man, who was traveling seeking a cure for boredom, happened in Brainerd and happened to need shirts—

"Give me about \$10,000 worth of excitement, please—size 15—34 sleeve."

And quicker than a year can pass in a movie—we filled the case and the request.

Thrills—with sleeves!

GRAND RAPIDS PUTS BEMIDJI OUT OF RACE

Led by Miller, their scoring ace, Grand Rapids did the not unlooked-for thing by defeating Bemidji in the first game of the second region play-off at Chisholm last night, the score being 25 to 15.

In the other game of the preliminaries in this region, Two Harbors and Gilbert met, the result not being known here yet.

HELEN WILLS WINS ANOTHER TITLE

Nice, France, March 13.—(UP)—Helen Wills won another Riviera championship today, defeating Isabella Lee Mumford of Boston, in the finals of the Nice tennis tournament 6-0 and 6-1.

Miss Mumford sprang from obscurity yesterday when she surprised the fans by defeating Eileen Bennett of England, but the Boston girl was no match for the American champion.

GAS PLANT GETS NEW MACHINERY

New Water Gas Set, Compressor And Auxiliary Machinery Being Installed at Local Plant
GIVES FULL SPARE SET

Northern States Power Company Makes Further Assurance of Continuation of Service

The Brainerd Gas & Electric Co. plant is being equipped with an additional set of machinery, work on the installation being now in progress.

A construction crew of the Northern States Power Company started this week to tear some of the old machinery out of the local plant with a view to commence installation of a new water gas set, compressor and blower. It is understood that a speedy job is intended so as to have the new equipment in operation by May 15th.

Lester Perrin is in charge of the crew tearing out the old building foundations for the new equipment. The small force at work now will be supplemented soon by additional workmen as fast as their services are required.

The new machine is a 5 foot water gas set and a 17,000 cubic feet per hour gas compressor driven by a 75 H. P. motor. The company engineers believe that the new machinery will effect economy in gas manufacture and that a better grade of gas will be produced.

Citizens of this city expressed confidence when the Northern States Power Company acquired the local gas property that there would occur no discontinuance of service such as was experienced several years ago, at which time operation was abandoned entirely for an extended period. The installation of new and modern machinery at this time is taken by the public as a further guarantee that Brainerd is to receive efficient and continuous gas service.

The new equipment will give the local plant a full set of duplicate machinery, making it unlikely that any accident should cause a shut-down.

FLOWER LOVERS ARE ENTHUSIASTIC

Have Meeting at Chamber of Commerce Presided Over by Wm. V. Turcotte

COMMITTEES ARE NAMED

Preparations Made For Third Annual Peony and Flower Exhibit

An enthusiastic meeting of the Flower and Garden club was held Thursday evening in the Chamber of Commerce rooms, presided over by William V. Turcotte in the absence of President L. P. Hall. The following committees were appointed for the third annual peony and flower exhibit, the date to be announced later:

Executive committee—S. R. Adair, chairman, C. W. Mahlum, Mrs. James T. Hale.

Membership committee—A. P. Cardie, chairman, Mrs. C. Herbert, W. C. White.

Finance committee—W. C. White, chairman, E. O. Webb, R. R. Gould.

Classification committee—C. W. Mahlum, chairman, Robert Duerr, Mrs. C. Herbert.

House and floor committee—Mrs. Mabel C. Carmichael, chairman, Mrs. W. H. Cleary, Mrs. J. L. Frederick, Mrs. S. M. Kelly, Mrs. C. A. Nelson, A. A. Arnold, Dr. G. I. Badeaux.

Mr. Adair was unanimously elected a member of the executive board to take the place of Mr. Michael.

A communication was read from the Lions club, praising the good work of the Flower and Garden club and offering their assistance at all times.

Mrs. Herbert gave an interesting talk on Minnesota's fairest flower, the sweet pea. Mr. Cardie spoke on peonies, following by short and interesting talks by Walter F. Wieland, Dr. G. I. Badeaux, Henry I. Cohen, Professor Wilson, Mrs. Neve and Mrs. Fox. These talks were followed by a general discussion on the care and cultivation of flowers. Mr. Wieland stressing the stimulating of interest all over Brainerd of flower growing, more civic pride shown and the impression upon our tourists of the beauty of all these streets.

It was voted to give the magazine "Better Homes and Gardens" with each membership. New members are welcome and anyone wishing to join will please call or communicate with A. P. Cardie, chairman of the membership committee.

KIN OF DEERWOOD MAN IS PREMIER OF NORWAY

Our fellow-townsmen O. M. Warvig has received word that his cousin, Ivar K. Lykke, of Oslo, Norway, has been chosen Premier of Norway. Herr Lykke served as president of the Storting previous to his acceptance to the premiership.—Deerwood Enterprise.

SWARTZ STORE IS TOTAL LOSS

Nisswa General Store Burned to Ground Early Thursday Morning With \$40,000 Loss

\$27,500 INSURANCE CARRIED

M. K. Swartz, Proprietor, Former Brainerd Merchant, May Re-build at Same Location

The M. K. Swartz general store at Nisswa is a total loss as a result of the fire early Thursday morning which burned it to the ground. Mr. Swartz estimates his loss at about \$40,000, the building being valued at \$18,000 and the stock and fixtures invoicing almost \$22,000.

The fire was discovered at about 2:45 a. m. Thursday, but Mr. Swartz did not arrive on the scene until after 3 o'clock, as neighbors had to run to the residence about a quarter

of the building in the east end. It worked its way down through the structure and soon the entire building was in flames. Defective wiring is thought to have been the cause.

Mr. Swartz built the store in 1914, doing a large part of the work himself. He formerly lived in Brainerd, having come here first in 1883, and was engaged in business until 1909, when he moved to Nisswa. The family lived in an apartment above the store during the winters, until this year, when they made their home at the lake cottage nearby.

The building was a two story affair with complete basement. It was 32 by 65 feet in size, with an "L" addition 24 by 30 feet in size. Mr. Swartz has been assisted by his son, Earl, who has been with him in the store for some time.

Mr. Swartz states that he is undecided about his future plans. He may sell the lot, but if he does not do this, he will build a one-story brick store, and resume business. He carried \$27,500 insurance on the stock, fixtures, and building.

SCOUTS IN BIRD HOUSE CONTEST

Started March 1, Continues Through Month, For Colony And Individual Houses

HOUSES WILL BE SOLD

Prize Winners Will Get Camping Period at Scout Summer Camp, 6 Days For Winner

The Boy Scouts of this area are this month competing in a bird house contest, which started on March 1 and will continue throughout the month. After the close of the contest, the houses will be sold, on April 2 and 3.

The contest is for two classes, colony houses and individual houses. The colony houses are intended mainly for martins, while the individual ones for the use of such birds as wrens, woodpeckers, robins, and bluebirds.

The winners will receive free camping periods at the boy scout camp at Clearwater lake. For the best colony house, the winner will be awarded six days at camp. First prize for the individual houses will be six days, second prize four days, and third prize two days.

The houses are to be judged on such points as correct size for the protection of the bird, ease of cleaning out nests, etc., in the spring, originality, finish, and degree of substantiality. The judges will be local people to be named later.

Already one order has come for a martin house, from Minneapolis. A number of other orders for bird houses have been received. The towns engaged in the contest are Brainerd, Aitkin, Deerwood, Crosby, Ironton and Staples.

Novel Debate, Flappers vs. Widowers
Chicago—Bobbed hair, middle aged flappers with rolled stockings, prettily bearded below the knees,

WALTER P. TYRHOLM COMPANY

govern the dealings of the business.

Mr. Tyrholm believes in the value of newspaper advertising, and is mapping out a policy of bringing the merits of his business before the buying public through the printed sheet. He has announced a guarantee of satisfaction which will accompany every piece of service rendered by the company, guaranteeing his personal attention if necessary to ensure the entire satisfaction of the customer.

The company is handling a complete line of Fords and other manufactured articles of the Ford works, together with genuine parts, agricultural and industrial implements, used cars and coal. The business will be conducted on a strictly cash basis, except for the payment plan of sale of cars.

Washington—The lodge with the longest name is the Ancient and United Order of Sons and Daughters, Brothers and Sisters of Moses of the United States of America and the World at Large, Inc., a colored or-

of a mile from the store and arouse him.

Neighbors who arrived early broke into the building to carry out what they could, and managed to save one of the three cash registers, a counter scale, a Burroughs adding machine, and the safe. When Mr. Swartz arrived, he entered against the protests of those gathered at the fire, and carried out the desk, which contained many valuable papers. Richard Parks entered with him. While they were in the building, the roof fell into the second floor, and as soon as they had the desk at the door, the large plate glass window blew out.

Mr. and Mrs. Swartz had been up until about 1 o'clock entertaining a number of friends, who had gathered to help celebrate Mrs. Swartz's birthday. After the visitors had gone, the Swartz family went to bed with no thought of anything out of the ordinary within the next two or three hours.

The fire started in the upper part

ELKS'

5% Ten Year Gold Bonds

Interest payable April 1 and October 1 each year
Dated April 1, 1926, Payable April 1, 1936

Elks' Gold Bonds practically all subscribed.

STUDEBAKER

Standard Six Coach

\$1195

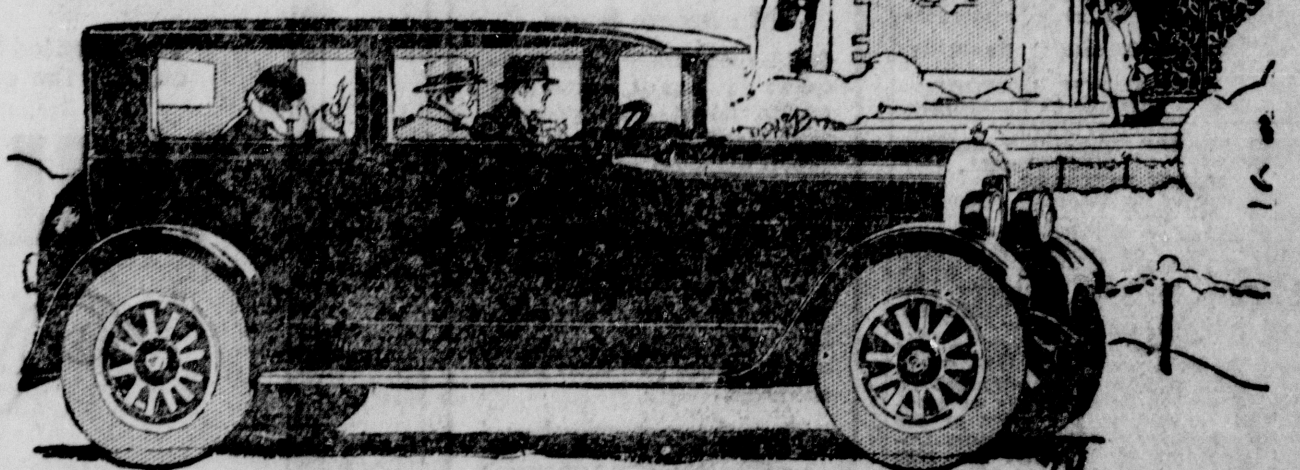

Built like a Fine Sedan

STUDEBAKER has built the same fine quality into this roomy Coach that has made Studebaker enclosed cars famous the world over. And for interior roominess and finish it rivals many far costlier sedans.

In the Standard Six Coach we use northern ash and maple in the body construction the same as in the Big Six models. It is built of the same high-grade steels to the same precision standards—the very highest in the industry.

And Studebaker gives you in the Standard Six Coach the one essential in Coach design—roominess. There's ample room for five grown-ups. And the Standard Six Coach is the world's most powerful car of its size and weight.

If you want to see something really different in quality Coach design, at a price that is possible only because of One-Profits manufacture—see the Standard Six Coach at \$1195.

CADETS SAVE LIFE OF ADULT

TAKE PITCHFORKS AND BEAT BACK BULL ATTACKING SUPERINTENDENT

St. Charles, Ill., March 13.—(UP)—Heroism on the part of two cadets at St. Charles school for boys saved the life of William Foster, dairy superintendent at the school farm.

Charles Bennett, 15, and George Hodd, 16, saw a maddened bull rush Foster, knock him down and gore him. The two boys grabbed pitchforks, rushed into the enclosure and fought the animal off Foster's prone body until help arrived.

Foster was taken to a hospital where he is suffering from internal injuries, a fractured pelvic bone and several broken ribs, but is expected to recover.

CURTIS M. JOHNSON AS A SENATORIAL CANDIDATE, 10TH DIST.

Rush City, Minn., March 13.—(UP)—Curtis M. Johnson, former president of the State Agricultural society and a candidate in 1924 for the gubernatorial nomination, will seek the republican nomination for senator from the 10th district.

Announcement of Johnson's decision late yesterday narrowed the field for the governorship in republican primaries to Governor Theodore Christianson and Mayor George Leach of Minneapolis, although there is a possibility that Judge Albert Johnson of Red Wing will make the run.

Definite removal of the Rush City man clears part of the uncertainty in the state executive field and opens the way for active campaigning. It has been frequently hinted that Johnson is favorable to Leach's candidacy.

Johnson will be opposed by Representative G. G. Goodwin, Cambridge, in the congressional fight. He made a strong run for governor in the 1924 election.

EDW. W. SCRIPPS, FOUNDER OF MANY NEWSPAPERS, DIED

New York, March 13.—(UP)—Edward Willis Scripps, 71, retired, founder of the Scripps-Howard newspapers, died shortly after 10 p. m. Friday aboard his yacht, the Ohio, in Monrovia Bay, off the coast of Liberia, Africa.

News of his death was contained in a dispatch received at the New York offices of the Scripps-Howard newspapers this morning.

NORTHWEST BRIEFS

Blagen Heads Lumbermen of S. D. Sioux Falls, S. D.—L. H. Blagen, Madison, was elected president of the South Dakota Retail Lumbermen's association at the annual meeting here. Sioux Falls was named convention city again next year.

Minnesota Parole System Discussed Minneapolis.—The Minnesota parole system will be discussed at an open forum meeting of the Hennepin County Bar association here next week.

First Cook's Tour Man Dead Matlock, England.—The man who went on the first "Cook's Tour" around the world, is dead. He was Alfred Clay, whose will has just been probated at \$700,000. He bought the first round the world ticket issued by the great tourist agency.

FLAXSEED—No. 1, \$2.29@2.34; No. 1, to arrive, \$2.26.

NEW YORK STOCKS

New York, March 13.—(UP)—Following the week's recovery in the general list which brought about a rebound of nine points in the Dow Jones industrial average as compared with the low point of the recent break, stocks turned generally heavy again in today's session.

Obviously this development was the outcome of determined professional attack designed to test the market's underlying strength. These maneuvers demonstrated that the buying power

was still extremely cautious and decidedly unwilling to follow prices up, a condition which made it easy for the bear crowd to depress prices.

Large selling orders were directed against United States Steel and substantial recessions were forced in the whole industrial group in the weight of the heaviness created in this leader. The market closed lower.

BIG JAZZ REVUE Specialty Dancers, Singers and Other Artists to be Here Sunday

The first of a series of F&R stage presentations that will be offered Brainerd theatre goers will be a pretentious jazz revue featuring a cast of 15 principals at the New Park Sunday, matinee and night.

Titled "King Cole Up-to-Date," the production is heralded as one of the most ambitious musical extravaganzas ever attempted by the F&R studios.

Specialty dancers, singers, comedians, a dancing chorus of five pretty girls and an eight piece jazz band are features of the show. Gorgeous settings, costumes and lighting effects are also a prominent feature.

The revue is said to run thirty-five minutes and opens with a colorful tableau in the medieval court of "Old King Cole." The tableau leads into a typical jazz setting, introducing King Cole and his merry court up-to-date.

Featured in the production are Jimmy Buscher and his syncopated; Hap Doyle as the king; Raymond Whiting as the dancing fool; Ethel Warren, blues singer; Eleanor Gibbons, Marion Bedard and the Sawyer sisters, dancers; Carlos and Stone, exponents of the ball-room Charleston, and "King Tut" the champion old-time fiddler of the Twin Cities.

The production comes direct to the New Park, from a successful engagement in the Twin Cities. A regular feature screen attraction will be shown in conjunction with the stage show.

Three Different Types Featured in Film

They are not three of a kind. Sally, Irene and Mary represent widely different types of young women.

Sally, played by Constance Bennett, is the brilliant one, beautiful like an orchid and poisonous as well. Irene, played by Joan Campbell, is the ravishing beauty of the sturdy type like an American beauty rose. Mary, who is interpreted by Sally O'Neil, is the roguish one, like a bright blossom of spring-time, a hyacinth or perhaps a tulip.

They all appear in "Sally, Irene and Mary," which is playing at the Lyceum theatre Sunday and Monday.

BONES FOUND IN RUINS TO BE ANALYZED

Manitowoc, Wis., March 13.—Manitowoc county officials today were awaiting word from Madison regarding the analysis of bones found in the ruins of the John Yohane home at Kellnersville, which with seven other buildings was destroyed by fire on the morning of February 22.

Following questioning by authorities yesterday Yohane remained unshaken in his story that he was awakened by the smoke and in his bewilderment forgot his wife, who was burned to death.

District Attorney Clarence Tietgen refused to issue warrants after William Greenwald, state deputy fire marshal, had reported on his investigation. The district attorney indicated he does not consider the evidence sufficient to justify that action yet.

Yohane during the course of the questioning told officials his wife had threatened him several times, but that he had never struck her.

BILL TO PROTECT WATERSHEDS OF U. S.

Washington, March 13.—(UP)—The McMurray bill appropriating \$40,000,000 to be used for protection of watersheds until 1933 was favorably reported to the senate today by the agriculture committee. The bill also provides for appointment of a committee for acquisition of lands to conserve navigable streams.

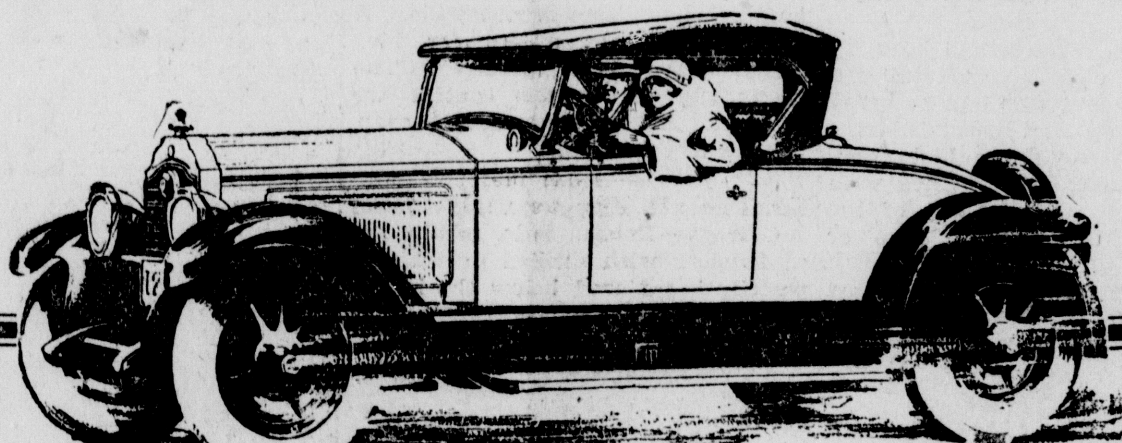

F. J. Golden, President of American Legion

Merrill, Wis.—Francis J. Golden was elected president of the County American Legion composed of Merrill, Tomahawk and Gleason posts at a meeting here.

D. B. C. MAN NOW CASHIER OF BANK

E. E. Simonson, a graduate of Dakota Business College, Fargo, recently elected cashier of the Merchants National Bank, is the ninth "Dakotan" to become a Fargo bank officer. Some 218 are executives in other banks. "Dakotans" win positions and promotions easily. Actual business training (copyrighted—unobtainable elsewhere) does it. S. A. Olson has recently been made office man for the Claremont (S. D.) Lumber and Hardware Co.

Watch results. "Follow the Successfull" Apr. 5. Be ready for work at busiest season. Write F. L. Watkins, Pres., 806 Front St., Fargo.

The smoothest thing on wheels

This is the characterization most frequently applied to the Willys-Knight Great Six by its swiftly mounting number of delighted owners. And it aptly sums up this car's truly marvelous performance-ability.

No other automobile has the super-power and speed, the smoothness and silent running qualities of the Willys-Knight Great Six. No other steers so easily or rides so comfortably.

The patented Knight sleeve-valve engine, the only known motor-

car engine that improves with use —and a steering-mechanism equipped with 8 Timken bearings, more than any other car built—these are two major superiorities, exclusive with the Willys-Knight, that contribute immeasurably to the Willys-Knight owner's advantage.

The New WILLYS FINANCE PLAN

means less money down, and lower monthly payments, and the lowest credit cost in the industry.
